

# Do you have an ECT starting statutory induction in September 2023?

## Schools who are new to us

If you are new to working with us this September - welcome! You need to complete all 3 steps to register your ECT with us for their ECF training programme (Steps 1 + 2) and Appropriate Body (Step 3). Once registered, you will receive an invite to our welcome webinar in the Autumn term.

## Schools who already work with us

Welcome back! For any new ECTs or Mentors, you must complete steps 1 + 3. You will also be invited to our welcome webinar in the Autumn term.

**Northern Lights Teaching School Hub is both a Delivery Partner for one of the DfE's designated Lead Providers, Education Development Trust, rated 'Good' by Ofsted in March 2023, and an Appropriate Body.**

## Register your ECT

Sign up with the DfE

1

Onboard your ECTs, Mentors and Induction Tutors by clicking [here](#). You must complete this step every time you have a new ECT or Mentor in your school.

Register with Lead Provider

2

The Lead Provider is Education Development Trust (EDT). You will need to complete an EOI with our Lead Provider [here](#) to register your school.

Register with Appropriate Body

3

Sign up to Northern Lights Teaching School Hub's Appropriate Body (AB) services [here](#). You must add any new ECTs, Mentors and Induction Tutors prior to their induction start date.
