## DO YOU HAVE ECTS WHO ARE NEW TO YOUR SCHOOL THIS YEAR?

Well done to all of our schools who have successfully managed to sign up for both the Appropriate Body service and ECF training programme for the start of this academic year. We know that the process isn't as straight forward as we may like, however, the hub team are still at the end of the phone ready to take your call and help you through the process!

If you are reading this and are not sure if you have completed the steps necessary below, please get in touch!

Onboard your ECTs, Mentors and Induction Tutors by clicking [here](#). You must complete this step every time you have a new ECT in your school.

The Lead Provider is Education Development Trust (EDT). You will need to complete an EoI with our Lead Provider [here](#) to register your school (only if you are new to us!)

Sign up to our AB service [here](#). You must add any new ECTs, Mentors and Induction Tutors prior to the start of induction.

## VIEW OUR WELCOME MEETINGS

Although some of you have been with us for a long time, there are important updates we would like to share with you and it would be great if Head Teachers, Induction Tutors, Mentors and ECTs could watch the recordings below if you were unable to attend in person. It is also a great opportunity to ask any questions you may have.

## NATIONAL PROFESSIONAL QUALIFICATIONS – YOU STILL HAVE TIME TO APPLY FOR A FUNDED PLACE!

Although the October 23 application deadline has passed, there is still the Feb 24 cohort which will be fully funded by the DfE! Welcome to those of you who have applied for an NPQ in the October cohort – we cannot wait to begin to work with the newest cohort of NPQs! We are currently booking venues for conferences and the new materials are fantastic – filled with the latest research. If you are not sure which NPQ is right for you, visit our newly updated NPQ section of the website [here](#) to find out which route you may like to take.

NPQs are still FULLY FUNDED by the DfE so now is the perfect opportunity to invest in yourself and your professional development!

## NPQ ASSESSMENT WINDOWS

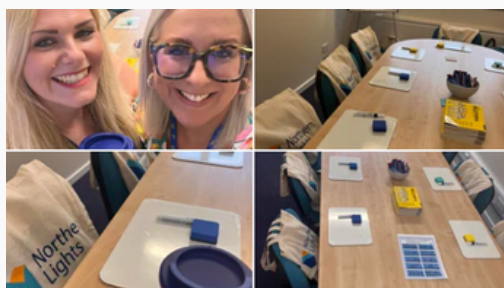

We have two cohorts who are nearing the end of their NPQ Journey.

Feb 22 Leadership NPQ: You are currently within your assessment window and we wish you every luck with this! Remember, if you have any queries during this time to email Ambition directly on [assessment@ambition.org.uk](mailto:assessment@ambition.org.uk) and they will be able to support you!

Oct 22 Specialist NPQ: Your assessment window is fast approaching – remember you must be at 90% engagement to be able to complete the assessment. You can check your progress on My Ambition by clicking on the 'My NPQ Progress' tab at the top!

Good luck and we can't wait to see you become the teacher you were born to be this year!

If you know someone who is interested in becoming a teacher, invite them to visit our website – applications open in October for next academic year!
